Birthday Cards

Before this year, birthday cards were put out for all the Residents. In approximately the last six months I noticed that maybe two people were signing these cards and that they were not being distributed to the Resident. I did not put out the cards this past month due to the lack of interest. If you, or someone you know would like to start this up again please let me know. I do have cards in the office for your use.

Happy Birthday:

Terry B. ~ 12th
Hertha K. ~ 15th
Lois T. ~ 15th
Lil H. ~ 16th
Betty H. ~ 18th
Ray R. ~ 18th
Ernie P. ~ 19th

Happy Valentine's Day

Wish your fellow Resident a Happy Valentine's Day! Little valentines will be available on the desk in the dining room. You can either distribute your valentine yourself or bring them to the office before the 14th and we will distribute them for you.

February 17th ~ Random Acts of Kindness Day

- Give someone a compliment
- Hold open a door for someone
- Do a favor without asking for anything in return
- Let someone else get on the elevator even if you were first in line
- Smile and wish someone a pleasant

Fire Suppression Ceiling Repairs

We will have contractors on site for the first week in February doing repairs on our ceiling fire suppression system. If you hear any unusual noises, this could be the cause.

The laundry room will also need these repairs which will cause a shut down of the room. These repairs should happen either Wednesday, February 2nd or Thursday, February 3rd. I will keep you updated as we go. Please be patient as we work to make Sun Village a safer place to live.

North Elevator

Unfortunately, I still do not have a confirmed date for the repairs on the North elevator. The delays in supplies have created another set back in this process, which I was hoping was going to be by the end of February.

I will let you know as soon as I have a confirmed date. At this time, we are looking into March.

Dog Owner Memos

I gave all dog owners' a memo to outline the expectations of having a pet. Unfortunately in the last week, we have had two messes on the carpets and dog poop in the courtyard (again). This is unacceptable and Residents must clean up after their pet! If Residents are no longer able to clean up they must find or hire someone to do it for them. It is also the responsibility of the Resident to hire a carpet cleaner if their pet messes on the carpet. This is not John's (maintenance) job.
